Scoring Example

In the 1st box: You knock down 8 pins after 3 balls.

In the 2nd box: You knock down 7 pins after 3 balls.

In the 3rd box: You knock down all 10 with 3 balls.

In the 4th box: You knock down all 10 with 1 ball, scoring a strike.

You add the first 2 balls of the 5th box to strike. (10+3+2)

In the 5th box: You roll 3rd ball and the total down is a 9. (3+2+4)

In the 6th box: You knock all 10 pins down in 2 balls scoring a spare. Your spare is worth 10 plus pins fallen from the first ball of the 7th box. In this case 6.

In the 7th box: Finish rolling the 2nd & 3rd ball and total down after all 3 balls is 8. (6+1+1)

In the 8th box: You knock down 9 pins after 3 balls.

In the 9th box: You score a strike!

In the 10th box: You score a spare, filling your strike box with a 10 & a total of being 20 in your 9th box! To finish out the 10th box and your spare, roll 1 ball and add it to your spare! (10+8=18)
